Hi Georgina

Nothing much to report from last year just a few of the regular bookers that didn't involve very many people, no mouse racing no Carol Concert of course no fireworks, we have one booking in at the moment that is a one to one opening for the voting on the 6th May then from the 17th May our doors are open for those who are aloud to book covid permitting ,some I think will not be back until June because of spacing etc.

Hope this is okay

Hi Sylvia,

How are you?

The council are holding this year's APM via MS Teams this year. Due to a lack of clarity from central government and complications between legal timings of the meeting and covid-19 restrictions it has meant that the council is only able to hold the APM giving just the bare minimum of 7 clear days' notice.

If you would like to and are able to the council would welcome a report from you this year, I appreciate it could be that there is literally nothing to report (!) in which case we'd love to know if you have plans going forward or when you hope to re-start meetings.

Kind Regards,

Georgina Berry
